

BABY ZEYDA — BORN THE SIZE  
OF A SODA CAN; 12.7 OZ.

COMMUNITYMED.ORG

ZEYDA, ONE OF THOUSANDS OF BABIES  
SAVED AT OUR HOSPITAL SINCE '76

JUST SEVEN STEPS FROM DELIVERY TO OUR NICU

“WE BROUGHT ZEYDA HOME.  
BECAUSE WE BROUGHT HER TO  
**COMMUNITY.**”

AT ANY OTHER HOSPITAL, BABY ZEYDA MAY NOT HAVE SURVIVED. BUT OVER THREE DECADES OF EXPERIENCE HAVE TAUGHT US THAT NOT EVERY BIRTH GOES AS PLANNED. SO, WE HAD EVERYTHING ZEYDA NEEDED VERY CLOSE AT HAND. AND WHEN SHE WAS RUSHED TO OUR NEONATAL INTENSIVE CARE UNIT, IT WAS AS CLOSE AS MOVING HER INTO THE NEXT ROOM. TODAY, ZEYDA AND HER FAMILY ARE THRIVING.

BECAUSE CHOOSING WHERE YOUR BABY WILL BE BORN IS JUST AS IMPORTANT AS CHOOSING YOUR DOCTOR.

From day one.
